

Mount Vernon Yard Waste Location

The Yard Waste Site that we have used for many years located next to the County Garage will not be open this season. CountryMark has purchased this parcel.

The City of Mt.Vernon has taken over the Yard Waste and is in the legal process of finalizing the sale of a new location. We are hoping that we are getting close to being able to open this new location up to the public so that they will be able to get rid their waste as they have been accustomed to in the past.

The Street Department is trying to help the Citizens of Mt.Vernon during this delay. If you have tree limbs you need to get rid of, place them at the edge of the curb and call the Street Department to get on their list to be picked up. The Street Department always has free pickup as a result of storm damage even after the new site is open.
